us-2

48 vantage point with boris belitskiy: notes way british

conservative politicians and media they control refer to what they call soviet monopoly on sov intermediate range nuclear arms systems in europe, examines this with some simple arithmetic citing figures. ussr nevertheless considers situation as one of approximate parity. conservative govt misrepresents figures to justify siting of cruise missiles in britain. (4.5 min, poor: enguk 2000)

49 vadim (muchkin) intvw with william mckelvey, chmn of labor action for peace, head of deleg of organization which has just ended visit to moscow: says that purpose of visit was to extend dialogue with sov ppl on question of peace. There were great similarities in aims of both sides. Sov ppl value peace very highly. it was inevitable that geneva talks would break down when deployment of u.s. missiles began in europe. expresses concern over increased tension. (3.5 min, poor: enguk 2000)

50 boris (durov) on washington's nuclear strategy in asia. washington, tokyo and seoul are joining forces to create milit polit alliance in far east. It looks as if washington seeks to have an many launching pads for its missiles as possible away from american continent. Ussr occupies clear cut position on issue, to prevent any nuclear war. but ussr's efforts alone are not enough. all nations should join struggle to prevent nuclear holocaust. (5 min; enginter 1531)
